

# LONGWICK-CUM-ILMER PARISH COUNCIL GRANT AWARDING POLICY

## 1. Introduction

Under current legislation, Longwick-cum-Ilmer Parish Council is allowed to allocate a sum of money within each year's budget for disbursement as grants.

The following policy sets out how Longwick-cum-Ilmer Parish Council considers and makes grant awards.

The policy enables the Council to make an informed and fair assessment of grant applications, so that decisions on grant applications within the limited grant budget are made in a way that is fair and transparent.

The aim is to promote a vibrant and active community in Longwick-cum-Ilmer, enhancing and maximising the range of services and activities for the Town.

## 2. Grant Awards Policy

Grants are made for activities and projects:

- in the interests of the town,
- for the benefit of some or all residents or community of Longwick-cum-Ilmer, or to improve the range of services and activities in the town.

Grants are made to support voluntary groups, charitable bodies and community organisations or new organisations or bodies who want to get established.

Generally one grant will be made to an organisation in any financial year.

The provision of a grant in one year does not set a precedent for another year; nor does it preclude further grants in subsequent years.

Applications from organisations with substantial unallocated resources will not be considered a priority for funding. Applications are only accepted from charitable or non-profit making organisations and grants cannot be awarded to individuals.

Applications are not considered from "upward funders", i.e. local groups whose fund-raising is sent to the central headquarters for redistribution.

Organisations requesting funds for buildings must provide evidence of security of tenure for a minimum of 7 years from the date that the grant is considered. Proof of adequate insurance with a reputable insurance company must be provided.

Decisions made by the Council on grant applications are solely a matter for and at the discretion of the Council.

The Parish Council reserves the right to decline any application or to apply conditions to the grant.

## 3. Panel

## **LONGWICK-CUM-ILMER PARISH COUNCIL GRANT AWARDING POLICY**

The Panel consists of the Parish Councillors who consider the applications for grant aid for recommendation .

The funds are modest, so when considering applications the Panel look at how the application benefits the majority of the community.

The Panel presents its recommendation to the Parish Council for approval at the Estimates Meeting in November each year. The Panel may require successful applications to provide progress reports. There may also be a request for a site visits and meetings with the applicants to discuss the viability of the proposed project.

In exceptional circumstances and at the discretion of the Parish Council, an award maybe considered throughout the year subject to available funds.

### **4. What will not be funded?**

Grants will not be awarded for activities that:

- should be met from statutory responsibilities
- could reasonably be expected to be funded from other sources
- could reasonably be expected to be funded from members' subscriptions
- seek to promote or oppose a party political viewpoint or activity
- seek to promote or oppose a religious viewpoint or activity
- seek to fund professional services
- seek to fund salary, routine or other administration costs

### **5. Applications**

Applications are received and are considered at the Estimates Meeting in November each year for the following financial year.

In exceptional circumstance and at the discretion of the Parish Council, an award may be considered throughout the year, subject to available funds.

Grant applications will only be considered if submitted on a Grant Application Form with all supporting documentation. It is therefore important that all the questions on the application form are answered as fully as possible to provide a detailed picture of your proposed project or of the activities of your organisation within the town.

Please use the minor Grants application form for Grants up to £250.

**Amounts over £1000 will be given only in exceptional circumstances.**

### **6. Considering applications**

The Parish Council aims to make the grant making and assessment process as open and clear as possible. To achieve this aim we hold open committee meetings, where we discuss individual applications in front of the public and press.

The Parish Council will consider whether funding requested is commensurate with the benefit obtained by the residents of Longwick-cum-Ilmer, including:
